

Elevra – Company Pitch (Animated)

[? Open in full screen](#)

https://content.elevratech.ai/decks/Elevra_Animated_Deck.html?v=5

Summary

Elevra Tech company pitch deck: India's AI-first SAP Business One partner, offering an AI-ready ERP for growing businesses. Covers the Plus Suite, AI Platform and Elevra Delivery OS, the eight industries we serve, our client portfolio, and the offer of a free 90-minute discovery workshop. Interactive deep dives cover industries, customers by region, SAP B1 modules, add-ons (WMS, QC, gate entry, weighbridge, job work, plant maintenance, banking, POS, eCommerce, machine IoT), WhatsApp workflows, customer/vendor portal, sales app, compliance, AI via MCP, embedded AI, agents, apps and the autonomous enterprise.

Slides

1. Elevating Business Transformation
2. India's AI-first SAP Business One partner
3. Eight industries. One platform.
4. Our flagship client portfolio
5. Most growing businesses still run on Excel, WhatsApp and memory.
6. From a system of record to a system of action.
7. One connected platform to run, understand and automate your business
8. The strong foundation every AI step is built on
9. Complete coverage. One platform.
10. Plus Suite: SAP B1 that fits how you work
11. AI Platform: SAP B1 that understands and acts
12. Elevra Delivery OS: AI does the heavy lifting. People decide.
13. The industry implements SAP Business One. We deliver everything around it.
14. Let's start with a free 90-minute discovery workshop
